

**High Holidays Junior Congregation**

**WHAT:** Age appropriate grade-level programming & worship services for children in grades \*Pre-K through 6<sup>th</sup> grade.

\*PLEASE NOTE: Children must be a

MINIMUM of **4 years old by 10/1/2010**. Younger children must be in babysitting or with their parents. **We cannot accept younger children in ANY Junior Congregation rooms.**

- **WHY:** This service is provided as a benefit to our members and their school-aged children in order to provide a meaningful, safe, fun environment for children to experience the High Holidays at HEA.
- **WHERE:** Programming will take place in both the Main Building and the Goldberger Youth Center.
- **HOW:** We are delighted that we have an outstanding and experienced staff running our programs which include age-appropriate services, discussions of themes of the High Holiday, crafts, holiday games & stories, a snack, outdoor time (weather-permitting-please apply sunscreen before arriving and provide a light jacket or sweater).

For the safety of all of our children and in order to establish and maintain quality, age-appropriate programming, the following standards will be in place this year:

- ~If your child has a condition (such as food allergies or a disability) which requires them to need special attention or special supplies, you **MUST** contact Sharon in the Religious School office prior to September 1, so we can safely and appropriately accommodate your child's needs, sandersen@headenver.org 303.758-9400 x210. (Registration is not required for students who do not require accommodations.)
- ~Due to safety, space, staff & supply limitations, **ALL children may only attend and must stay in their age-group classrooms. If your child is unable to remain in the room *without* different-aged siblings/friends/etc., they will be returned to a relative.**

~Schedules enable teachers to spend time with their families and attend a bit of services each day. We are unable to accept any children before or after scheduled programming. Thanks very much for your cooperation & understanding!

~Please check your child in by **10:30 am. It becomes disruptive to the program to have children come in late.**

~Parents of students 4<sup>th</sup> grade & under *must* check their children into & out of the rooms for scheduled programming. Older students may check themselves in & will be dismissed at the end of programming. Students will NOT be dismissed without a parent present prior to 12:30.
