

There is nothing like the fun of summer camp, and there is no better place to experience the excitement, wonder and unique summertime activities that a camp can offer than the

## HEA Preschool Summer Camp 2011!

Our summer camp will run for 9 one week sessions from **June 13-August 12** and is designed just for children aged 15 months (and walking) through kindergarten. Our campers make new friends, experience a wide range of activities, and discover new talents with the help of our seasoned staff. HEA Camp is the perfect place to learn a new sport, master a new skill and realize endless potential all while being cheered on by your camp family of friends.

Summer is a wonderful time to be a kid at camp, daily activities will include water play, sports, games, bubbles, yoga, picnics and walks. We will kick off camp by planting our 3<sup>rd</sup> annual Children's Garden. The children love to dig in the dirt, plant seeds, water and tend to their garden throughout the summer. We will also feature special guests from the Denver Zoo, the Botanic Gardens, Center Stage Starz, JumpBunch, and the Denver Firefighter Museum.

Our morning camps (9-12:30) include free play, art, science & discovery, outdoor play, a morning snack, special activities on a rotating schedule, circle time, songs and music. Please send your child with a dairy lunch, sunscreen, a change of clothes, diapers (if needed) and a sheet for rest if you have signed up for afternoon programming. After lunch (12:30-3:00) the funs just keeps going with mixed age play, sing-a-longs on the lawn, soccer, sprinklers, bouncing around and strolls around the neighborhood.

For your convenience we offer one week sessions to fit around your busy summer plans. Registration will open to all beginning on March 1, 2011. For more information contact: Jamie Lambert (jlambert@headenver.org) or Karen Kirk (kkirk@headenver.org) or call the preschool office at 303-758-1462
